

Meeting held at Cafe Corso 01.02.19 to discuss bid for application to Council Ward Budget

The ideas discussed were

Tree Planting - Two trees to be planted in Bradley Road to replace the ones that died there.

Pavement Planters - Where there is space on pavements - eg Junction of Ringslade Road and Cumberland - to brighten up the area. Also mini planters around the base of roadside trees.

Decorated Junction Boxes - Brightening up those dreary green junction boxes with brightly coloured stencils.

Litter Pickers - So we can organise our own 'street 'clean-up' days

Book Swap Box - Our own neighbourhood Book Swap Box sited on one of our streets.

Decorative Street Signs - Street signs with local logo or decoration on them.

Street Mural - Maybe a long-term aim given the need to find site and get design approved but look at examples on website - could really make a difference locally.

Community Garden - Bid to take over small garden area at the side of Wood Green Works and improve its appearance.

These ideas will form the basis of our bid to get funds from the Ward Budget.
